### EXPERIENCE

#### **Scanline VFX, (Vancouver) - Compositor- September 2019- Current job**

Worked on feature films The Rescue, Fengshen Trilogy and Zack Snyder's Justice League. Was responsible for several CG heavy shots, as well as shots that required complicated reprojections of plate to match new CG cameras as well as other compositing tasks such as keying, integrating, relighting, tracking, use of stock elements and more to complete shots.

#### **Vitality VFX, (Vancouver) - Compositor- May 2019 - August 2019**

Worked on feature films The Irishman, Sextuplets and The Man Without Gravity. Shots required deaging, hair fixes, facial tracking, use of smart vectors and other compositing tasks.

#### **MPC(Moving Picture Company), (Vancouver) - Compositor- August 2018 - May 2019**

Worked on feature films Aquaman and Detective Pikachu. Worked on several CG heavy shots with large FX elements, lookdeving a full CG shot for final, as well as other compositing tasks such as keying, integrating, tracking, use of stock elements and more to complete shots.

#### **CoSA VFX, (Vancouver) - Compositor Practicum Student- July 2018 - August 2018**

Helped out on shots for the feature TV shows The Gifted and Fear the Walking Dead, doing roto, paint and compositing for various magic effects.

#### **Reykjavikurborg, (Reykjavik) - Caregiver - July 2014 - July 2017**

Caregiver for disabled individuals.

#### **RVX, (Reykjavik)**

Intern - June 2017 - June 2017 - Intern for the visual effects company RVX.

### FREELANCE

#### **Blindspot, (Reykjavik) - Compositor - August 2017 - October 2017**

Worked on shots for the music video ASA - Broken Wings. My work included animating textures, planar tracking and integration for a final composition of shots. The softwares I used were Mocha and Nuke.

#### **Blóðbankinn, (Reykjavik) - Motion Graphics - May 2015**

Made a short animated commercial using After Effects for the non profit organisation Blóðbankinn, the blood donation centre of Reykjavik.

#### **Heilabrot ehf, (Reykjavik) - Multimedia Designer - May 2014 - August 2016**

Worked on various multimedia tasks for the software and computer equipment company Heilabrot ehf. Designed logos, pamphlets and motion graphics for software and other things.
